PRODUCT HIGHLIGHTS

Compromise-free Performance

Equipped with an 8th Generation Intel Quad Core processors and Windows 10 Pro, the Portégé A30-E Series easily thrives in any corporate environment. Also, enjoy uninterrupted powerful performance with an outstanding 14-hour battery life with a Quick Charge feature that charge up to 4 hours of battery life from just a 30-minute charge. Together with a surprisingly slim and lightweight design, choose between an anti-glare HD or Full HD display with optional In-Cell Touch technology that best suits your working style on the move or in the office.

Designed to Last

Manufactured and shipped from Dynabook's Innovation Centre where it is tested to H.A.L.T specifications by TÜV Rheinland and MIL-STD-810G standards for drop, spill and pressure, the Portégé A30-E Series is built to withstand the rigour of everyday business use, giving you a greater peace of mind to focus on other business tasks that matter.

Intelligent Security You Can Manage

With Dynabook's comprehensive security features, staying secure has never been easier. From our in-house developed built-in BIOS and TPM 2.0 encryption, to face authentication, you can protect your business-critical data without any fuss. For a greater peace of mind, try adding our optional security features such as the Smartcard Reader, as well as the SecurePad™ with fingerprint reader.

Productivity Unleashed

Empower your daily business tasks with comprehensive connectivity through an integrated Gigabit LAN that allows fast access to your local network, two full-sized USB 3.0, HDMI, USB Type-C, as well as an optional USB-C travel dock for VGA access and connection to peripherals. Coupled with our ClickPad with a glass finish, and an optional backlit keyboard, the Portégé A30-E Series delivers just what you need to get things done.
